Exhibitors Information: ASK-IT Final Conference
25-26-27 June 2008 - Nueremberg city hall

Mobility for All – The Use of Ambient Intelligence in Addressing the Mobility Needs of People with Impairments: The Case of ASK-IT

The ASK-IT final conference will take place in the Nueremberg City Hall, Germany, from 25 to 26 June 2008.

The theme of the Conference will be: "Mobility for All – The Use of Ambient Intelligence in Addressing the Mobility Needs of People with Impairments: The Case of ASK-IT". To find more about the EU funded research project ASK-IT, visit www.ask-it.org.

The conference will open with a one day Users Forum which represents end users and service providers in the field of ambient intelligence for people with impairments. During the scientific conference, up to 200 professionals in this field will gather to discuss the use of ASK-IT. The audience will consist of representatives from the transport field, the AI community, the industry and private sector stakeholders.

Part of the conference area will be dedicated to an exhibition area where your city, organisation or company can be represented. The exhibition will be located in the entrance hall of the Nueremberg city hall, making it also possible for other guests of the city hall to see your stand.

ASK-IT exhibitor's package – 2.000,- €

- a 4 m² stand in the exhibition hall
- Conference admission for 2 persons
- Inclusion of advertising material in the Conference pack distributed to all participants.
